

Mandeni Mayors Message to the MATRICULANTS of 2015

The Honourable Mayor of Mandeni Municipality, Cllr Sphesihle Zulu would like to wish the matric class of 2015 all the best, as they prepare to sit for their final grade 12 examination.

Education is a powerful tool that learners can use to emancipate themselves from poverty and inequality for a better tomorrow. We hope you have been working hard in preparing for this examination which has the power to determine your choice of career. You are close to the finishing line and your commitment and determination will lead to limitless possibilities for your future.

Mandeni Municipality urges all parents and family members, to partner with their children by giving them a chance to study and reach their true potential. You are the future of our communities, make us proud.

Best wishes
Mayor Cllr Sphesihle Zulu
